

## Plan View

### Plan Goals -

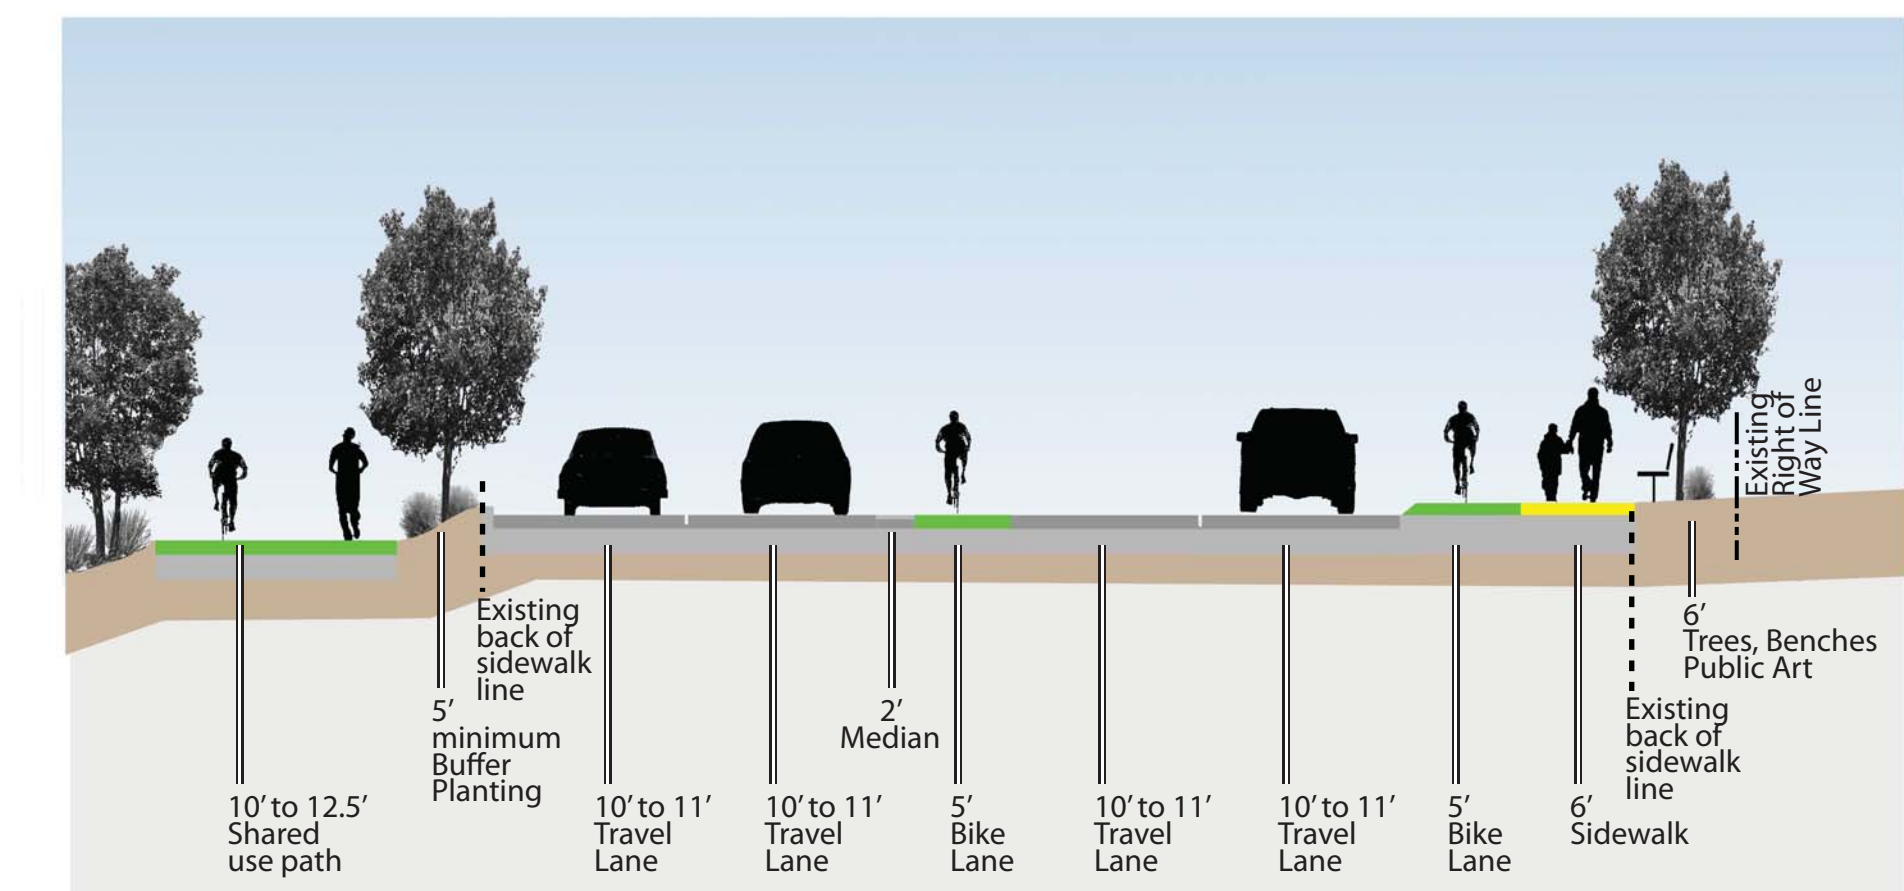

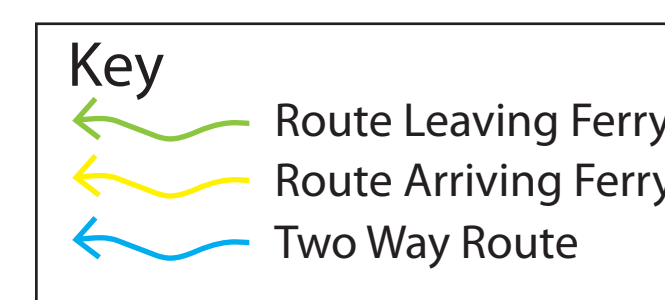

- o Improve pedestrian, bicycle, and vehicle safety
- o Improve off-loading efficiency
- o Enhance arrival experience
- o Accommodate existing and proposed features including Gateway Park, Sound to Olympic Trail, Waterfront Trail, WSF operations, and adjacent businesses and residents

### Proposed physical improvements include -

- o Install new walking surfaces, trees, seating, and art on both sides of Olympic Drive - on the east from the terminal to Winslow Way and on the west from Harborview Drive to Winslow Way
- o Relocate the west side curb of Olympic Drive between Winslow Way and Harborview Drive between 4 to 8' to the west
- o Remove easternmost WSF toll booth and reconfigure WSDOT parking across from the Bike Barn
- o Create an orientation/gateway for the Sound to Olympic Trail in the parking area in front of the police station
